

Technical SEO Audit Report

For  **SohoMarkets**

www.sohomarkets.eu

Prepared on: March 08, 2022

Audit Summary

This document contains technical SEO audit report for Soho Markets website hosted at <https://www.sohomarkets.eu/>.

The document highlights issues and offers suggestions for technical SEO, website performance, and server-side improvements. To ensure a comprehensive audit, our team has employed industry best practices, such as Google's Core Web Vital analysis, PageSpeed Testing and Moz SEO standards.

Based on the performance, the report identifies each parameter as :

- ✔ Passed – Well done. No further work needed
- ✘ Errors – Most critical and need urgent attention. Impact Google's Core Web Vital report
- ⚠ Warnings – Require attention for better performance. May not directly impact Google's Core Web Vital report
- ⓘ Notices – Good-to-have items. Will not directly impact Google's Core Web Vital report
